Dear Buz:

I would like to express my appreciation to you and the members of your staff for providing such excellent and courteous service on Monday evening.

The catering presentation was festive and the food was delicious! I was very grateful for your attention to the minute details. The event ran smoothly as a result of your involvement and patience.

Dear Buz and Jim:

October 15, 2001

I want to thank both of you for the wonderful, delicious, and educational culinary presentation last Saturday. You really WOWED those women with your knowledge and charm!

I can't begin to tell you both how much I appreciate your support, time, and efforts. It was very kind of you to drop off the desserts. The choices and how great it all tasted truly overwhelmed them!

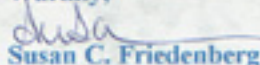

I personally want to thank you for just being there for the professional embodiment of corporate flight attendants that **NEED *the best*** at 41,000 feet. As you heard me say to those women, "You are only as good as your caterer at 43,000 feet!"

I will be doing 2 training classes per city, per year as I mentioned to you Buz.

The first Chicago 2002 training class will be conducted on Saturday, May 11, 2002. The second will be on November 16-17. This will be the "new" 2 day class. We can really coordinate with that to create a truly educational experience for the students. This is the new training that I will be offering with more catering educational information, and International trip planning. We can then show them how you pack boxes for long range remote travel.

Again, thank you, and I look forward to seeing you in a few months at the NBAA Schedulers & Dispatchers Conference in Orlando.

Warmly,

Susan C. Friedenberg

PS Bring those shorts! :)

With Compliments

You did a great job!

*Thank's a lot and
See you soon.*
